Women's Ministries

Nassau Christian Center Women's Ministries provides opportunities for women to grow together in Christ. Every woman is encouraged to grow and develop in every area of her life - in fellowship with God, relationships with family and friends, in leadership and in ministry to others. We would like to extend a personal invitation to each woman to attend events planned just for you throughout the year at NCC. Events Women's Ministries organizes events throughout the year. Women's conferences and retreats, luncheons, theater, or dessert and tea - special speakers encourage women in their walks with the Lord.

Women's Ministries Can Touch Lives Through YOU! Women's Ministries can reach so many who are discouraged or in need with your help. We believe God has blessed every woman with gifts and talents that can influence others for the glory of God. Whether it is providing a ride, a meal, or making a telephone call to say, "I'm praying for you," we encourage you to look for opportunities to get involved. With your talents and good planning we are making a difference in the lives of women. See one of our coordinators to get started! Our Women's Ministries Coordinators is Lynne Flagg. Contact us at the church by calling the office at (609) 921-0981 or email us at: worship@nassauchristian.org
